APPENDIX G.

(Question 20.) 316

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE. GENERAL AND REVENUE SECRETARIAT.

No. G. 4102-9—R. A. 16-19-1, DATED 18TH AUGUST 1919.

Circular Memorandum.

The following instructions are issued for the guidance of Deputy Commissioners of Districts in disposing of petitions received by them from parties or forwarded to them for disposal from the Secretariat alleging irregularities or objectionable practices at the recent elections for the deputation of members to the Representative Assembly.

All signed petitions which are not pseudonymous should be enquired into and definitely disposed of early and endorsements sent to petitioners in each case.

2. Where an objection is frivolous or being found true, is immaterial, no further action need be taken.

3. Where the objection is material, such as, for example, persons not included in the approved lists having been allowed to vote or votes having been secured by any candidate by corrupt practices, etc., enquiries should be made into the allegations and the Deputy Commissioner should record a definite finding on the allegations. If they are true he will himself modify the results of elections accordingly; as for instance by excluding the votes of persons not included in the approved list in reckoning the votes, or by declaring invalid the election of persons who have resorted to corrupt practices for securing votes.

4. Where the enquiry does not clearly establish the objection alleged but the Deputy Commissioner doubts the validity of elections, the records together with his opinion will be submitted for orders of Government.

5. If the list of persons already declared as elected has to be revised in consequence of a decision under sub-para 3 above proposals should be sent up to Government immediately for such revision.

6. In all cases coming under sub-para 4 where such revision would be necessary if Government were to accept the objection, the report submitting the records for orders of Government should clearly indicate the candidates, if any, who should be declared elected in the event of the acceptance of such objection.

By Order,

C. S. BALASUNDARAM IYER,

Chief Secretary to Government.

To—The Deputy Commissioners of Districts.
